## UNITED STATES DISTRICT COURT

JUN 29 2015

for the  
Western District of VirginiaJULIA C. DUDLEY, CLERK  
BY: *a. Blaylock*  
DEPUTY CLERKIn the Matter of the Search of  
(Briefly describe the property to be searched  
or identify the person by name and address)Green, 1996 Chevrolet Pickup registered to Robert  
John Nash and bearing VA license Plates "MARDUK"  
and assigned VIN 2GCEK19R7T1189875

Case No. 1:15mj 102

## APPLICATION FOR A SEARCH WARRANT

I, a federal law enforcement officer or an attorney for the government, request a search warrant and state under penalty of perjury that I have reason to believe that there is now concealed on the following person or property located in the Western District of Virginia (identify the person or describe property to be searched and give its location): Green, 1996 Chevrolet Pickup registered to Robert John Nash, bearing VA license Plates "MARDUK", and assigned VIN 2GCEK19R7T1189875 (search to include the vehicle, all contents therein, and the person of Robert Nash). Attachment A consists of a photograph of the vehicle.

The person or property to be searched, described above, is believed to conceal (identify the person or describe the property to be seized): See Attachment B

The basis for the search under Fed. R. Crim. P. 41(c) is (check one or more):

- ☒ evidence of a crime;  
☒ contraband, fruits of crime, or other items illegally possessed;  
☒ property designed for use, intended for use, or used in committing a crime;  
☐ a person to be arrested or a person who is unlawfully restrained.

The search is related to a violation of 21 U.S.C. § 846/841(a)(1), and the application is based on these facts: See Attachment C and 841(a)(1)

☒ Continued on the attached sheet.

☐ Delayed notice of      days (give exact ending date if more than 30 days:                     ) is requested under 18 U.S.C. § 3103a, the basis of which is set forth on the attached sheet.

ATTACHMENT A

Robert Nash's 1996 Chevrolet Pickup with VA  
License Plates "MARDUK"  
and VIN 2GCEK19R7T1189875

## ATTACHMENT B

1. Methamphetamine laboratory precursors, chemicals, and equipment (and original packaging of same) including the following: pseudoephedrine, ammonium nitrate (e.g. instant cold packs), lithium (e.g. batteries containing lithium), sodium hydroxide (e.g. Red Devil Lye), petroleum ether/petroleum naphtha/white gas (e.g. Coleman Fuel, lighter fluid), muriatic acid, sulfuric acid, table salt, aluminum foil, plastic soda bottles (empty or no longer containing original contents), glass mason jars, plastic food storage containers, Ziplock-type plastic bags, plastic tubing, electrical tape and/or duct tape, coffee filters, pipe cutters (used to cut open lithium batteries), electric hot plates/electric skillets, frying pans, razor blades, digital scales, funnels, and stirring utensils.
2. Unidentified powders (processed/semi-processed precursors, chemicals).
3. Glass jars and plastic bottles/storage containers filled with unidentified liquids or sludges (processed/semi-processed precursors and other unidentified mixtures related to the manufacturing of methamphetamine)
4. Devices used to communicate with methamphetamine manufacturing co-conspirators including cellular telephones and two-way radios; electronic equipment used for counter-surveillance to include scanners, anti-bugging devices, and video surveillance cameras..
5. Firearms, including but not limited to handguns, rifles, and shotguns that are commonly used by individuals to protect clandestine methamphetamine manufacturing related operations and controlled substances.
6. Books, receipts, ledgers, notes, and videos pertaining to the illicit manufacturing of methamphetamine and the purchasing, transporting, and preparation of methamphetamine precursors, chemicals, and equipment.
7. Messages/letters, telephone numbers/call records/contact information, names, and addresses relating to the illicit manufacturing of methamphetamine and the purchasing, transporting, and preparation of methamphetamine precursors, chemicals, and equipment. These messages/letters, telephone numbers/call records/contact information, names, and addresses may be written on personal calendars, personal address/telephone books, Rolodex type indices, notebooks, loose pieces of paper, and found in mail.
8. Photographs and videos depicting persons involved with/engaged in the manufacturing/use of methamphetamine and/or the purchasing, preparing, and storing of methamphetamine laboratory precursors, chemicals, and equipment.

## ATTACHMENT B (Continued)

9. Items or articles of personal property tending to show ownership, dominion, or control of the premises/property/vehicles. Such items or articles include (but are not limited to) personal identification, personal correspondence, diaries, checkbooks, notes, photographs (including digital), keys, receipts, personal telephone and address books, videos, and motor vehicle related documents (titles/registrations).
10. Many of the items listed in Paragraphs 6 through 9 are commonly stored in/on digital media. Therefore, digital media (including but not limited to computers/computer hard drives, floppy disks, CD's, flash/jump drives, personal digital assistants (PDA's), cellular/smart telephones, digital cameras, iPODs, iPADs, etc.) are to be seized and examined specifically for the items listed in Paragraphs 6 through 9.

## ATTACHMENT C

AFFIDAVIT of  
Special Agent Brian Snedeker  
Drug Enforcement Administration  
Bristol, Virginia

1. I, Special Agent Brian Snedeker, being duly sworn hereby depose and say:
2. The purpose of this application and affidavit is to secure a search warrant for a 1996, green, Chevrolet pickup registered to Robert John Nash, displaying Virginia license plates "MARDUK", and having Vehicle Identification Number 2GCEK19R7T1189875. This affiant, after obtaining and reviewing information, believes there is evidence of conspiracy to manufacture methamphetamine and/or manufacturing methamphetamine in the above listed 1996, green, Chevrolet pickup in violation of 21 USC 846/841(a)(1) and 841(a)(1).
3. I am a Special Agent with the Drug Enforcement Administration (DEA) and have been so employed for approximately (24) years. During my employment I have received comprehensive classroom training from the Drug Enforcement Administration in specialized narcotic investigative matters including but not limited to drug interdiction, drug detection, money laundering techniques and schemes, smuggling, and the investigation of individuals and organizations involving the smuggling, cultivation, manufacturing, and illicit trafficking of controlled substances and controlled substance precursors. I am a graduate of both the DEA's Clandestine Laboratory Investigation/Safety Certification Program and the DEA's Clandestine Laboratory Site Safety Officer School. I have participated in the execution of more than (300) narcotics related search warrants and the seizure and dismantling of more than (200) clandestine methamphetamine laboratories. I have testified as an expert on multiple occasions in Federal Court and State Court regarding the clandestine manufacturing of methamphetamine.
4. The facts set forth in this affidavit are known to me as a result of my personal participation and information provided to me by another law enforcement officer regarding Robert Nash.
5. The manufacturing of methamphetamine (a Schedule II Controlled Substance) by way of the ammonium nitrate/lithium metal method (also known as the "shake and bake" or "one pot" method) requires pseudoephedrine/ephedrine (obtained through the processing of cold/allergy pills, tablets, gelcaps, and liquids containing pseudoephedrine or ephedrine), ammonium nitrate (found in instant cold packs), and lithium metal (found in lithium batteries). Other chemicals/ingredients commonly used during the ammonium nitrate/lithium metal method include sodium hydroxide (e.g. Red Devil Lye), petroleum ether/petroleum naphtha/white gas (e.g. Coleman Fuel, lighter fluid), acetone, muriatic acid, sulfuric acid, table salt, and aluminum foil. Equipment/tools commonly used during the manufacturing of methamphetamine include soda bottles, glass mason jars, plastic food storage containers, plastic tubing, electrical tape and/or duct tape, coffee filters, pipe cutters

(often used to open lithium batteries), Ziplock-type plastic bags, frying pans/electric skillets/propane burners (to dry the methamphetamine), razor blades, digital scales, funnels, and stirring utensils.

6. Individuals who manufacture methamphetamine usually use and sell/trade the methamphetamine they manufacture. These manufacturers routinely have other persons (hereafter referred to as “shoppers”) assist them in the purchasing of precursors, chemicals, and equipment/supplies needed to manufacture methamphetamine. Manufacturers will regularly pay shoppers in methamphetamine (to use and sell) and/or cash for their assistance.
7. During December 2015, law enforcement received a citizen complaint regarding the suspected manufacturing of methamphetamine at the residence (former residence) of Robert Nash. The complainant advised that there was “fog” pouring out of an upstairs window of the residence when it was open.
8. This affiant recently reviewed pseudoephedrine sales data provided by a number of retailers (as required under The Combat Methamphetamine Epidemic Act of 2005) and instant cold pack sales data provided by retailers who maintain such data and noted the following information:
  - On 12-03-2014, Robert Nash purchased a (10) day supply of pseudoephedrine.
  - On 12-20-2014, Robert Nash purchased a (5) day supply of pseudoephedrine.
  - On 12-31-2014, Robert Nash purchased a (5) day supply of pseudoephedrine.
  - On 01-02-2015, Robert Nash purchased a (15) day supply of pseudoephedrine.
  - On 01-12-2015, Robert Nash purchased a (10) day supply of pseudoephedrine.
  - On 01-20-2015, Robert Nash attempted to purchased a (10) day supply of pseudoephedrine at one pharmacy and then purchased a (5) day supply of pseudoephedrine at another pharmacy.
  - On 01-23-2015, Robert Nash attempted to purchase a (15) day supply of pseudoephedrine
  - On 01-24-2015, Robert Nash purchased an instant cold pack.
  - On 02-05-2015, Robert Nash purchased a (15) day supply of pseudoephedrine.
  - On 02-10-2015, Robert Nash purchased a (5) day supply of pseudoephedrine.
  - On 02-13-2015, Robert Nash’s vehicle (a green Chevrolet pickup with Virginia license plates “MARDUK”) was utilized by an individual who purchased an instant cold pack.
  - On 02-14-2015, Robert Nash purchased a (10) day supply of pseudoephedrine.

- On 02-24-2015, Robert Nash's vehicle was utilized by an individual who purchased an instant cold pack.
- On 03-03-2015, Robert Nash attempted to purchase a (10) day supply of pseudoephedrine at one pharmacy and then purchased a (5) day supply of pseudoephedrine at another pharmacy.
- On 03-07-2015, Robert Nash purchased a (10) day supply of pseudoephedrine.
- On 03-15-2015, Robert Nash purchased a (10) day supply of pseudoephedrine.
- On 03-20-2015, Robert Nash purchased a (5) day supply of pseudoephedrine.
- On 04-03-2015, Robert Nash purchased a (5) day supply of pseudoephedrine.
- On 04-14-2015, Robert Nash purchased a (10) day supply of pseudoephedrine.
- On 04-17-2015, Robert Nash purchased a (15) day supply of pseudoephedrine.
- On 05-01-2015, Robert Nash purchased a (5) day supply of pseudoephedrine.
- On 05-02-2015, Robert Nash attempted to purchase a (5) day supply of pseudoephedrine
- On 05-07-2015, Robert Nash purchased a (5) day supply of pseudoephedrine and an instant cold pack.
- On 05-13-2015, Robert Nash attempted to purchase a (5) day supply of pseudoephedrine.
- On 05-14-2015, Robert Nash purchased a (10) day supply of pseudoephedrine and an instant cold pack.
- On 05-21-2015, Robert Nash purchased a (5) day supply of pseudoephedrine.
- On 05-26-2015, Robert Nash purchased a (10) day supply of pseudoephedrine.
- On 06-01-2015, Robert Nash purchased a (5) day supply of pseudoephedrine.
- On 06-04-2015, Robert Nash attempted to purchase a (10) day supply of pseudoephedrine.
- On 06-08-2015, Robert Nash attempted to purchase a (10) day supply of pseudoephedrine.
- On 06-09-2015, Robert Nash attempted to purchase a (10) day supply of pseudoephedrine.
- On 06-11-2015, Robert Nash purchased a (5) day supply of pseudoephedrine.

- On 06-16-2015, Robert Nash purchased a (10) day supply of pseudoephedrine.
  - On 06-22-2015, Robert Nash purchased a (5) day supply of pseudoephedrine.
  - On 06-27-2015, Robert Nash purchased a (10) day supply of pseudoephedrine.
9. Pseudoephedrine is a key precursor for the manufacturing of methamphetamine via the ammonium nitrate/lithium metal method. During the last several years, this affiant has routinely found and seized (via search warrants and consent searches) pseudoephedrine (and packaging of same) at methamphetamine manufacturing/precursor preparation sites and inside of vehicles utilized by methamphetamine manufacturers and their co-conspirators. This affiant has encountered and seized pseudoephedrine at/in such sites/vehicles in various forms/stages (e.g. sludges/mixed with liquids) related to methamphetamine production and contained in a variety of glass and plastic containers days, weeks, and even months after the ingredients were purchased at pharmacies/retail stores.
  10. A review (by this affiant) of Robert Nash's criminal history revealed his 2005 misdemeanor conviction for possession of marijuana.
  11. This affiant is aware based on his training, experience, and conversations with other law enforcement officers that individuals who illegally manufacture methamphetamine and/or conspire to do so typically maintain methamphetamine manufacturing precursors/chemicals/equipment (as described in paragraph #5 above) along with receipts / notes / records / telephone numbers (as they pertain to manufacturing/conspiracy to manufacture), and other items as listed and explained on Attachment B (of the Application and Affidavit for Search Warrant to which this affidavit is attached) on their persons, inside their residences, garages, outbuildings/barns, campers, vehicles (or the vehicles they operate), and inside of vehicles registered to other persons when those vehicles are parked at the manufacturer's/conspirator's residence/property.
  12. Robert Nash's 1996, green, Chevrolet pickup is routinely observed in Bristol, VA and Washington County, VA (both locations are within the Western District of Virginia).
  13. Based upon the facts set forth above, I believe that there is probable cause for the issuance of a search warrant for the 1996, green, Chevrolet pickup registered to Robert John Nash, displaying Virginia license plates "MARDUK", and having Vehicle Identification Number 2GCEK19R7T1189875 as there is probable cause to believe that there is evidence of a violation of 21 USC 846/841(a)(1) and/or 841(a)(1) in said vehicle.
